Abraham, Sarah Too

1. Abraham, Sarah too,
past your prime,
walk with your Dad.

2. Sarah, old,
Ishmael,

3. Hagar, bold
Jesus friend
by God's grace

4. Isaac, Dad.

5. Three great faiths
parting ways

6. pack your bags, journey to a distant land.
do not scoff; God can make a desert bloom.
outcast child in the desert all alone.
Carry wood ready for the sacrifice.

Aram's heirs, grafted in that ancient vine,
hear One Voice calling out to Abraham:

Refrain
Far beyond any fortune you have guessed,
through your faith many people will be blessed.

Leave your friends, leave your home.
Laugh for joy, Love the child.
Love and life he will find.
Brushed by death you will thrive.
live the peace, spread the love.
Walk with me, Love my Word.
